Notes:

Applications for grants on behalf of believers in need overseas will be welcomed from FIEC Pastors and churches and evangelical churches and believers in the UK in sympathy with our doctrinal basis.
The purpose of the fund is to bring relief to *believers* overseas. It is therefore not available for use for indiscriminate relief during times of crisis overseas.
Grants will normally be given through a recognised evangelical agency, church or individual and arrangements will be made for a report to be given on how each grant has been used so that those who gave to create the fund will be able to see how it has been used.
The awarding of grants is entirely at the discretion of the Overseas Relationship Team on behalf of the Council of the FIEC.
Only those applications will be considered that are submitted using the form designed for the purpose.
