Are you looking ...

- for first-hand experience of church-based ministry?
- to test and develop your gifts in a local church?
- for theological training in a practical context?

Enfield Town Community Church is looking for people to start our Discipleship Training Scheme (DTS) in September 2025. Those on the DTS will:

- be involved in the full range of church ministries with an opportunity to focus on a specific ministry if desired.
- take part in training at Cornhill or with Crosslands and attend relevant conferences.
- be encouraged to develop skills in doing short Bible talks, leading Bible studies where appropriate and reading 1-2-1 with others.
- be individually encouraged in their discipleship through 1-2-1 mentoring and structured reading.

ETCC is a community of people of all ages and backgrounds who are followers of Jesus. Our aim as a church is to "Make Jesus known in Enfield Town as we grow to know Him better." We seek to do that by focussing on three big things: Gathering, Growing and Going. For more information, visit www.enfieldtown.church.

We are looking for people who want to grow in their love and knowledge of Christ, who are centred on God's word, and would love to help others to do the same.

Applications can only be considered from those who are UK citizens or who otherwise have a right to work in the UK.

You will need to be able to declare wholehearted acceptance of the FIEC doctrinal basis and agreement with the FIEC ethos statements. See <https://fiiec.org.uk/who-we-are/beliefs>
