

Children, Youth & Families Worker

Christ Church Queensferry

Full-time (2-year fixed term)

Christ Church Queensferry is a growing church family in the heart of South Queensferry, planted from Charlotte Chapel in 2021. Our vision is simple: **to see lives transformed through Jesus, to the glory of God.**

With increasing numbers of children and young people, we are seeking a **gospel-hearted individual to lead and develop ministry among children, youth, and families** at this exciting stage.

The role includes building relationships, developing Sunday and midweek ministries, and equipping volunteers, with opportunities to reach more families in the community.

We are looking for someone who:

- Loves Jesus and the next generation
- Can take initiative in a growing church context
- Has experience with children and/or youth
- Shares our evangelical convictions
