RICKSTONES CHURCH WITHAM

PASSIONATE ABOUT KNOWING JESUS AND MAKING HIM KNOWN

We are looking for a Co-Pastor to join with us as we seek to reach our community with the good news of Jesus. Could that be you?

Rickstones is an FIEC church and part of Mission Essex. We are a group of people of different ages and backgrounds who want to make Jesus known.

This post is suited to someone with ministry experience as well as someone in their early years of ministry as it provides an opportunity to work with the current Pastor until his retirement in summer 2027 and to receive significant support from the Mission Essex network.

The role will include regular preaching and leading as well as coordinating evangelism and discipleship programmes. The hope is that this role will develop into being the main pastor of the church on the retirement of the current pastor. A Manse could be provided with this position.

For more details and an information pack, or to arrange an informal chat please get in touch.
