

Ministry Trainee Opportunity

Grow. Serve. Discern. Be Equipped.

Do you...

- Love the Lord and long to know and serve Him more deeply?
- Find joy in making Jesus known within your local church and community?
- Desire space, support, and opportunity to grow in your faith, test your gifts, and explore whether the Lord may be calling you into vocational ministry?

If so, we would love to hear from you.

At **Pendennis Good News Church**, we are looking for a Ministry Trainee to join us for an initial year, sharing in the life of our church family as you live, learn, and serve alongside our staff and members.

Who We're Looking For

We're seeking someone who already has some life and ministry experience—perhaps through children's or youth work, serving in your local church, or involvement in a Christian Union. You may have completed an apprenticeship or a degree, or you may be working in a secular profession while sensing a growing desire to devote more time to spiritual growth and gospel ministry.

This role is particularly suited to someone who is humble, teachable, and eager to grow in both character and competence as they discern their future path in ministry.

What We're Offering

You will be:

- Loved and mentored in your walk with the Lord
- Given opportunities to serve and in various ministries
- Encouraged to develop and test your gifts
- Supported in formal training through the **South West Gospel Partnership Ministry Training Scheme** or other/further training by agreement in advance.

You will be an integral part of our church family—growing not just in knowledge but in relationship and responsibility.

Terms & Support

- **Paid Employment:** 4 days per week (including one training day in term time)
- **Salary:** £15,600 per annum (if accommodation offer below agreed) or £19,047 per annum (if you have your own accommodation).
- **Accommodation:** Offered (if needed) with a retired female church member in a spacious home within walking distance of the church building. This offer extends to married applicants whose spouse can also relocate.
- **Flexibility:** You may choose to take on additional employment, study, or volunteer beyond the paid hours
