

DIRECTOR OF OPERATIONS

Cornerstone Church Nottingham are seeking to appoint a Director of Operations to join our staff team, as the existing postholder approaches retirement.

The Director of Operations:

- is a senior leadership role with overall responsibility for the operational aspects of the ministry activities of the church, including financial management, human resources, technology, buildings and facilities.
- plays a leading role in shaping the strategies and structures necessary for the effective operation of the ministries of the church.
- holds the specific responsibility of company secretary for the church's charitable organisation, ensuring effective financial management, governance and compliance with necessary regulations.
