

Harper Church Glasgow

1. Please pray for wisdom and creativity as we try to continue to connect with and support asylum seekers and refugees in the midst of level 4 restrictions.
2. Pray for our Cross Cultural Worker (funded from FIEC Mission Fund). Pray for her as she leads various courses to communicate the gospel.
3. We have 6 people being baptised over the next 6 weeks, please pray for them as they are baptised and pray for their continued spiritual growth.
4. Pray for our partnership with SIM to bring a gospel worker from The Gambia to Glasgow to help us reach the West African diaspora. Pray particularly that God would provide the necessary funds for the project to proceed.
5. Pray that the whole Harper family might have strength to persevere and remain faithful throughout this pandemic.

Mount Pleasant Baptist Church Swansea

1. That each member and child of the church would know and understand their calling from the Lord – at home, work, school and of course church, and be filled with his Spirit each day for what he has called us to.
2. That as a church we would know the Lord's Presence in our meetings, and people added to us.
