

## Plains Evangelical Church

Airdrie

1. Please pray that God would help us build on existing ministries and develop new ones.
2. Please pray that the church would grow in excitement for what God will do.
3. Please pray that Christian families would move into the new houses in the area and join the church.
4. Please pray that we would see souls saved and the village won for the gospel.

## Highfields Church

Cardiff

1. Please pray for wisdom as we consider what to do with evening services at Highfields as we come out of lockdown.
2. Please pray that the Lord would enable the church family to grow in love for one another. Covid has meant isolation and the atomising of church life to a large degree, so pray that we'd learn how to creatively share life together.
3. Please pray that we'd know how best to support the large student population, in Cardiff and at Highfields, many of whom have struggled with their mental health, in a variety of ways.
4. Please pray that we'd grow in confidence in personal evangelism, as we gear up to the Passion for Life initiative in 2022.
