

Trinity Road Chapel *London*

1. Please pray that we would be a church united in the gospel that is seeking to grow in our love for the Lord Jesus, his people, and the lost.
2. Pray that we would forge good relationships with local families - particularly through our café and children's groups - that allow us to share the gospel with them.
3. Pray that we would be active in growing gospel workers to serve both in the UK and overseas. We particularly value God's wisdom in identifying those who could serve as elders within the church.

Hope Church *Huddersfield*

1. Please thank God for happy Sundays, with new faces each week, and a handful of new people coming into membership.
2. Please pray for conversions. We've had a couple of people profess faith – we long for more!
3. Pray for wisdom as we seek to make a replacement for Graham Thomson (Assistant Pastor) as he prepares to plant in the Spenn Valley.
4. Pray for courage, skill and faith as we pursue evangelism over the summer.
