

Grace Church Manchester

1. Please pray for our church planting plans in South Manchester. Thank God that a founding pastor has now been appointed. Pray that God would raise people up from Grace Church to join and reach out to the lost in the area.
2. Praise God for the Life Explored course we have recently run. Pray for the non-believers that came along and ask God for more opportunities for them to hear the good news of Jesus Christ.
3. Pray for Mike Tindall as he takes a sabbatical over the summer. The purpose is to give him time for rest, prayer and ministry development.
4. Pray for wisdom, unity and integrity for the Elders as they lead the church over the summer months.

Selhurst Evangelical Church London

1. Praise God for church growth which has also led to the need for more space. Please pray for clear direction about re-building or relocating.
2. Praise God for a growing work amongst four local schools. Pray for Selhurst and the Croydon Gospel Partnership as we seek to open a primary and secondary church school open to all.
3. Praise God for a growing evangelism team led by an London City Mission missionary attached to Selhurst. Pray for John who will be working with us full-time from September.
4. Praise God for men and women coming to faith through evangelism courses such as Christianity Explored. Please pray for an encouraging number of baptisms coming up over the next few months.
5. Praise God for mission-minded, servant-hearted, "what can I give" rather than "what do I get" couples and families who have braved Selhurst/Croydon and joined us in this part of London. We need more like them in all our churches.
