

Associate/Assistant Pastor

(Depending on experience)

Worthing Tabernacle is a growing, diverse, bible teaching church with over 120 members, and around 40 children based in the heart of the seaside town of Worthing, West Sussex. We are a warm, independent, conservative-evangelical church and are members of the FIEC and the Sussex Gospel Partnership.

We would like to appoint an Associate or Assistant pastor (depending on your experience) to work alongside Pastor Rich Owen and our other elders to provide pastoral leadership and to help with the growing needs of our church.

What we are looking for:

- A committed Christian with a mature faith in Christ and proven experience of church-based gospel ministry.
- A qualified (1 Tim 3:1-7, Titus 1:5-9), gifted and experienced man.
- A team player who is excited about and has proven ability to disciple, equip and train members and leaders.
- Strong levels of emotional intelligence, preferably with experience in a 'secular' workplace as well as in church.
- Full agreement with the FIEC statement of faith, including the ethos statements, and an agreement to work within the bounds of our constitution.

What we can offer you:

- A wonderful, loving and growing church family that will pray for you.
- A generous pay package including pension and support for moving costs.
- The opportunity to live and work in a desirable seaside location, just over an hour from London by train, and with the rolling downs to our north.

The application deadline is Friday 1st May 2026

For a full application pack, please email Rich Owen via pastor@worthingtab.org.uk

For more information about us, please view our website, www.worthingtab.org.uk Instagram, or YouTube channels.

All applicants must be UK citizens, or have the right to live and work in the UK.
