

## **Eastney Evangelical Church**

*Portsmouth*

1. Pray for a good start to our new work of visiting local homes systematically, with a newsletter produced each term, aiming to share the gospel with local people.
2. Pray for developing a ministry to primary school children and their families in a needy and completely unchurched corner of Eastney. For open doors and open hearts.
3. Pray for endurance and encouragement for us all.
4. Pray for great spiritual power to accompany the word. May the Lord multiply greatly our few loaves and fishes to feed the thousands with the Bread of Life!

## **Rochester Baptist Church**

*Rochester*

1. Pray for the next Dickens festival, that the church would come together and work hard over the weekend and that through this we would be able to share the gospel with our community and those that visit from further afield.
2. Pray for our ongoing witness – that each member would be motivated and deliberate about sharing the good news of Jesus.
3. Pray for wisdom for our leadership and unity in our family as we look ahead to the next five years and we consider an additional paid elder, updates to the structure of the building and the future of our community café. Pray that we would make wise decisions.
4. Pray that we would teach the Bible well, praying, sharing hospitality, supporting each other and sharing the gospel.
