

New City Church

Milton Keynes

1. Give thanks to the Lord for his goodness to us as a church; for the generous partnership of four nearby FIEC churches who supported us for five years while we became more established; and for the growth we have seen through believers moving into the area and joining us in inviting everyone to follow Jesus.
2. Right now, as a church, we are seeking the Lord and asking him to work powerfully to save sinners through our ministry. It has been more than three years since the last credible profession of faith here. Please pray with us!
3. Pray with us that the Lord would bring salvation to the many local people we reach through our weekly services, toddler groups (for mums weekly, for dads monthly), Easter Funday, Christianity Explored courses, CAP Money Courses, and generally as we live as disciples of our Lord Jesus.

Above Bar Church

Southampton

1. We are seeking to plant a church on the East side of the city (using a multi-site model). We have had an encouraging trial period in 2018 and will be making a final decision about the future in our members meeting on the 25th February.
2. On the 25th February we will also be voting about appointing a new minister. We have been 'one minister down' for two and a half years.
3. We experience many battles and breakthroughs on a weekly basis. Pray that we would celebrate and thank God for the breakthroughs and have perseverance and wisdom for the battles.
