

City Church *Birmingham*

1. Pray for our new congregation, Second City, to reach people in the heart of Birmingham.
2. Pray for God to raise up new generations of leaders for FIEC churches through our Student Ministry & Ministry Trainee program.
3. Pray that we would continue to love and serve each other in the context of a growing and changing church.

Grace Church *Denbigh*

1. Please give thanks for God's blessings over the past few years. We have grown slowly in number and, we trust, in faith too and we praise God for the gospel unity we enjoy.
2. Please pray that the Lord would raise-up some more servant hearted people. We'd love to have one or two other Christian families/ households living in the town trying to reach friends and neighbours with the gospel.
3. Pray for courage and faithfulness for us as we seek to reach the 9000+ people here.
4. Please pray for wisdom as we take steps towards further autonomy from our mother church in Mold. Pray it would ultimately result in further gospel growth.
