

## **Welshpool Community Church** *Wales*

1. Thank God that the church has continued to grow in faith and in number. We're encouraged by the evidence of love and commitment shown by the believers.
2. Pray that we will see God saving people, particularly unbelievers who regularly come to our Sunday meetings.
3. Thank God for increased opportunities in the local schools, and pray that God would bless and provide for that work.
4. Pray that the Lord will guide us as we move towards becoming an Independent church.

## **Crossway Church** *Birmingham*

1. We have a flourishing youth work with various components – even a fledgling Bible study for those who want to look into God's word more deeply. Please pray that many will come to know Jesus for themselves.
2. We are at capacity with our building. Please pray that God would lead us through a phase of development that will allow us to continue to be an active presence in the heart of our community.
3. We have a heart to reach Koreans in Birmingham who are disconnected from church, mostly a younger generation, who may respond well to a ministry in their mother tongue. Pray that God will open the doors for this ministry, and that we will proceed at the right pace.
