

Gunnersbury Baptist Church

London

1. Please pray for a Ministry Support Worker – that God would provide the right person to help our ministry flourish.
2. Pray for our English Conversation Class. This is a group where we are seeing significant gospel interest – a number of women are doing Christianity Explored.
3. Pray for assistant pastor Michael Williams as he embarks on part-time training at Oak Hill this term.
4. Please pray for the four young people who were recently baptised – that they would grow in daily discipleship.

Trinity Church Everton

Liverpool

1. Summer provides lots of great opportunities to build relationships and gossip the gospel with our friends and neighbours. Please pray that we would make the most of these opportunities.
2. Pray our church would grow indigenous disciples, who in turn make many more disciples around Everton.
3. Pray for CrossRoads, our ministry to people who struggle with addiction. Pray for new people to be converted through this vital gospel work.
4. Pray for our church members to be joyfully loving others, prayerfully walking with God and generously giving to the gospel.
